

SIX SENSES

ZIGHY BAY

Oman

**Location**

Six Senses Zighy Bay is located on a headland on the northern Musandam Peninsula in the Sultanate of Oman. It is set between dramatic mountains to the rear and a broad sandy beach in front.

The Musandam Peninsula is an exclave region of the Sultanate of Oman, separated from the rest of the country by the United Arab Emirates. Zighy Bay is located 120 kilometres, or less than a two-hour drive from Dubai International Airport, which is the gateway city to the Six Senses Zighy Bay. Visitors who have entered Dubai do not need an Oman visa to visit the resort in the Musandam Peninsula region.

The peninsula's rugged mountains, which rise up to 2,100 metres above the coast and juts into the Strait of Hormuz, have a spectacular fjord-like look. It is no wonder that Musandam is also called "The Norway of the Middle East".

**Concept**

Six Senses Zighy Bay is the first property operated by Six Senses Resorts & Spas in the Middle East.

The site of the Six Senses Zighy Bay is a secluded fishing village, with an all-villa accommodations and a private marina – located between the mountains and the beach.

Guests have the choice of three arrival experiences: A scenic fifteen-minute speed boat trip; a winding 4x4 drive down from the hill top overlooking the bay; or travel as a companion passenger with the Six Senses' professional paraglider.

The butler service is designed to create a unique concept for villa guests, where the Six Senses experience is exemplified from arrival to departure.

**Management**

Six Senses Zighy Bay is managed by Six Senses Resorts & Spas, who have developed and operate unique properties in the Maldives, Oman, Thailand, Vietnam, Spain and Jordan under the brands of Soneva by Six Senses, Six Senses and Evason: plus Six Senses Spas and Six Senses Sanctuary. The Six Senses team has positioned Six Senses Zighy Bay to incorporate the same brand values and personal service promised in the Six Senses Core Purpose: To create innovative and enlightening experiences that rejuvenate our guests' love of SLOW LIFE\*.
